Rules and Event Information

1. **Bicyclists must obey all traffic signals, stop signs, and police officers as required by law.**

Bicycle riders obey the same rules of the road as do drivers of motor vehicles.

2. Be considerate: share the road with motorists. Move to the right of the road to allow motorists to pass on the left.

3. Bike Bash is **NOT A RACE**. Ride at a comfortable pace, enjoy the scenery, and chat with your fellow riders.

4. **Helmets, properly worn, are required on all participants while bicycling during Bike Bash.**

5. **Riders aged 12 or under** must be accompanied while riding. A parent or guardian may accompany the child, or an **Escort Permission Form** must be on file, naming an adult to ride with the child in place of the parent/guardian. The **Escort Permission Form** may be filled out on the day of the event, or downloaded at www.bikebash.org/escort_form_2017.

6. **Riders ages 13 – 18** may ride unaccompanied if their parent or guardian grants permission on the registration form. Otherwise, a parent/guardian or Escort must accompany the rider, as described above.

7. Any photos taken at Bike Bash by City of Auburn personnel or their agents will become property of the City of Auburn.

8. Rest stops will be available on the medium and long routes.

9. Door prize drawings will be held at 11:00 am.
